

## FREELANCE PORTFOLIO JUNE 2022

Born in Bath, UK, Millie Noble (she/her) is a 22 year old Fine Artist, specialising in craft based mediums. Her practice often follows themes of the internet, celebrity, diltism and fandom, through obsessive processes.

Outside of artistic practice, she also is able to be commissioned for freelance work. She has created various branding campaign material for clients, including musicians, magazines and businesses. She is able to create logos, printed content, web content, small scale merchandise production and more. Please enquire for further information.

Based in Brighton, UK.
